

2014 USC - Soccer Booster's Club Dues Form

The Soccer Booster's Club provides financial and organizational support to the UHS Men's and Women's soccer programs.

Your \$35 donation will help offset the cost of:

- additional skill improvement training (assistants, training programs, coach wish lists, facilities),
- team building activities (end of year celebration banquet, spirit activities, etc.),
- senior recognition (senior night, plaques),
- coach appreciation, and our websites.

The objective is to have all families donate at one time to help fund the 2014 budget and avoid numerous requests for money to address specific activities. Your dues fund approximately 25% of the 2014 budget.

Please supply email addresses for both the player and at least one parent to facilitate future Booster's Club communications.

The Soccer Booster's Club information can be found at www.unionvillewomenssoccer.com/fielders.html.
